Event Exempt

Based on your responses, your organisation does **not** require a permit to sell liquor at your proposed fundraising event.

Please read the information below for important requirements regarding the sale and supply of liquor at your event.

The following requirements apply to your event even though you do not require a Community Liquor Permit.

If these requirements are not met, you may be issued with a non-compliance notice and be required to apply for a permit for future events.

- All liquor sold must be supplied in open containers for consumption at the event
- All liquor must be sold by an adult
- The organisation managing the event must ensure the sale of liquor does not create an unsafe environment at the event
- Liquor must not be sold or supplied in a way that encourages rapid or excessive consumption
- Liquor must not be sold or supplied to minors or patrons who are unduly intoxicated or disorderly
